

附錄：AI 使用聲明（範本） / Appendix: AI-Use Statement (Template) 請於兩個提交階段均填妥本聲明。核心原則：AI 可協助，但人對所有內容的準確性、原創性與誠信負全責。

Complete this statement at both submission stages. Core principle: AI may assist, but humans remain fully accountable for the accuracy, originality and integrity of all content.

- 1. 所使用的 AI 工具（名稱與版本） / AI tools used (name & version): _____
- 2. 用途（每項工具用於甚麼） / Purpose (what each tool was used for): _____
- 3. AI 生成內容的範圍（哪些部分由 AI 生成） / Scope of AI-generated content:

- 4. 人手修改、驗證與判斷（包括查證所有引文之原始出處） / Human revision, verification & judgement (incl. verifying every cited source): _____

可接受 / Acceptable: 使用 AI 草擬程式碼或譯文，再由隊伍自行測試、修訂，並查證所有引文之原始出處；且在本聲明中清楚申報。Using AI to draft code or translations that the team then tests, revises and verifies (incl. checking every citation against the original source), and disclosing this clearly here.

不可接受（可導致取消資格） / Unacceptable (may lead to disqualification): 將 AI 撰寫的分析當作原創而未申報；採用 AI 生成的引文卻未查證出處是否存在、內容是否屬實（捏造文獻 / 偽造引文）；或將 AI 生成的「古籍」或文物圖像當作真實歷史材料呈現。Passing off AI-written analysis as original without disclosure; including an AI-produced citation without verifying that the source exists and supports the claim (fabricated/falsified citations); or presenting AI-generated images of “rare books” or artefacts as authentic historical materials.
